REMINDER:

We are here to assist you; however, the biggest obstacle to a quick completion of the CRBA application process is obtaining all of the necessary documents. If you do not bring the required documentation, we will suspend processing of the application and you may be required to schedule another appointment.

The above checklist is a general guideline; you may be asked to provide additional documentation in addition to the documents listed above at the time of your interview. By regulation you will have 90 days to submit the requested documentation or the case will be closed for insufficient evidence to establish U.S. citizenship of the applicant. Please be reminded that all fees are non-refundable.

If you have additional questions, our website, <http://israel.usembassy.gov/service.html>, has additional details and instructions regarding application processes for CRBAs, passports, and other services.

Thank you and we look forward to seeing you.

I hereby certify that I have read the above instructions and that I have all the listed documents applicable to my case in my possession and am prepared to present them at the time of my appointment.
